

What is it?

The London 2012 Olympic and Paralympic Games was an opportunity to inspire the nation to enjoy a memorable cultural and sporting experience. The government is determined to secure a significant and lasting legacy from the games and to develop children's enjoyment of sport and physical activity from an early age. The Government recognises the impact and importance of this funding and this has therefore been doubled in 2017-18.

Accountability

Ofsted inspectors will consider "How well the school uses its Sports Grant to improve the quality and breadth of its PE and sport so that all pupils develop healthy lifestyles and reach the performances they are capable of."

How has this money been spent so far this year, and what else does Adisham offer in addition to Sports Premium funded activities.
